OBJECTIVE

MCA Student hands-on experience in C, Java and MySQL seeking to contribute innovative ideas in a dynamic organisation. Passionate about leveraging Java for software development.

EDUCATION

Master of Computer Applications

CGPA: **8.08**

Mahakal Institute of Technology and Management, Ujjain
(2023-2025)

Bachelor of Science (Statistics)

First Division

Higher Secondary Certificate (Physics, Chemistry, Mathematics

80%

Mathematics : 88 (XII) , 93 (X)

SKILLS

Programming Languages: Java, C\C++, Rust

Database: MySQL

Web Server: Apache Tomcat 11

Web Technologies: HTML, CSS, JavaScript, JSP, Servlets , Session Tracking, REST API, JSON, XML

Code Editors: Notepad, Visual Studio Code

Framework: Spring Boot , Hibernate

Core Concepts: OOP, DSA, Operating System

Interpersonal Skills: Customer Service, Problem Solving, Communication skills

Operating Systems: Windows, Linux.

PROJECTS

AI-Based Text Summarizer: Developed a web-based application that generates concise summaries of Long textual content using AI models. - Python, Flask, Convolutional Neural Network (CNN), HTML, CSS, JavaScript, SQLite3.

Student Management System :

Java | Swing | JDBC | MySQL | Socket Programming | Multithreading

Built a scalable desktop application using Java, Swing, JDBC, and MySQL. Enhanced from file-bases storage to **Client - Server architecture** using socket programming.

Student Registration and Login System :

Tomcat11 | HttpServlet | JSP | HttpSession | JavaScript | HTML

Build a web application on Apache Tomcat. Implemented login authentication, session management and handled form submissions using Servlets.

CERTIFICATIONS AND ACHIEVEMENTS

- **CS50's Introduction to Computer Science** (Harvard University)
- **TCS iON Career Edge** - Young Professional Course
- **Google Cloud:**
 - Transformer Models and BERT Model Completion
 - Introduction to Generative AI Completion Badge
- **HP Life:** Cybersecurity Awareness and Business Communication

HOBBIES

Enjoy creating art and illustrations with a keen interest in crafting.
